

Ovation iDea

Record Playback Create Learn

Exclusive Clinic Event

Inspiration comes at anytime. Find out how you can capture every time at the Ovation iDea Clinic. Featuring Nancy Sanchez, teacher, singer songwriter, guitarist and performer and the Ovation iDea guitar - the first and only guitar with on-board recording. Come see why the iDea is more than an acoustic/electric with a new feature ... it's a whole new way for guitar players to relate to their instrument.

See live demos on:

- Recording musical ideas
- Playing along with Jam Tracks
- Taking lessons anytime, anywhere
- Using backing tracks for solo gigs
- And much more!

- 128MB capacity providing approximately 100 minutes of recorded material
- Record from the guitar pickup, built in microphone, aux in.
- Play backing tracks while playing along with audio from the onboard headphone jack or guitars output
- Change playback tempo without altering pitch
- USB interface to download further backing tracks
- Preamp comes loaded with backing tracks and lessons

Introducing...
